

3D PROJECT

Think of 10 jobs...

Illustrate workers in their environment, be creative and don't forget to focus on jobs and places!

You need:

-10 jobs (illustrated: stick the people on a toothpick in front of their building)

- 10 written job descriptions
- 5 buildings (places)
- 3 streets (names)
- Name city/country
- Nature (park, trees, water)
- Creativity

ORAL PRESENTATIONS

WHICH CITY WILL MRS. PLANTE & I CHOOSE TO WORK IN???

On your description papers you need:

- Complete sentences.
- The name of the job.
- What is the job exactly? (description)
- Where they work?
- How do they travel to work?
- Are they heroes of your city?

During your classmates' presentations, you will need to be very attentive and take notes of what you like about the other 3D cities.
